

North Warwickshire and Hinckley and Bosworth

LEADER Programme

Helping local rural
businesses grow

Grant Funding Available

Grants of between £2,500 - £75,000 are available for businesses, social enterprises, farmers, woodland owners, and community organisations/groups, who aim to deliver a project that will have an impact on the local rural economy. This may include the creation of new jobs, developing the business and increasing turnover, the creation of new products or the use of new technologies.

Eligible activity may include:

- Construction costs
- Purchasing of equipment (non consumables)
- Marketing and promotion (excluding printing)
